DISTANCE LEARNING/VIDEO/PHOTOGRAPH CONSENT, WAIVER and RELEASE

Dear Parents/Guardians:

Totowa students are often involved in activities that require the taking of pictures, the development of videotaping, audio or video files for multimedia projects, Internet Web Design, yearbook photos, distance learning field trips, video courses and or interviews. Some or all of the media produced may also be used by newspapers, broadcast on radio or television, presented during a video teleconference or used in the Totowa School District publications and website.

Your signature on the Parental Approval/Acknowledgement Form indicates your permission for your child to be videotaped, photographed or interviewed, and to participate in distance learning virtual field trips for educational purposes. If you have any questions regarding the above, please contact Patricia Capitelli, Chief School Administrator.

I hereby give consent for my child to be photographed, videotaped, interviewed, and to participate in distance learning virtual field trips. I understand that these images and recorded appearances may be used in newspapers, television and radio broadcasts, video teleconferences, may be posted on the school website and may appear in district publications.
