

***Memorial School***  
***Thirteenth Annual***  
***Mitten Tree***  
***December 3-14, 2018***

Memorial School will be accepting donations of mittens and gloves for our thirteenth Annual Mitten Tree. Last year, we collected **321** items, thanks to the generosity of our families.

Once again, we are asking each family to send in one new pair of gloves or mittens to be hung on our holiday tree.

All donated items will be shared with area agencies in need.

\*New scarves, hats and socks would also be appreciated!

Thank you for your generosity,

The Memorial School Family
