Superintendent

April 29, 2021

Dear Parent/Guardians of Second Grade Students:

As we begin to prepare for our 2021 – 2022 school year, we have analyzed our enrollment patterns and classroom availability. We have also considered our class size targets for the elementary levels, the capacity at Memorial School as well as Washington Park School, and the continuity of placement of our Special Education students.

Therefore, for the 2021 – 2022 school year, grade three will be housed at Memorial School. This transition will allow our second-grade students to remain in the same school in which they are currently enrolled.

I wish to thank you for your continued support and if you have any questions, please feel free to contact me.

Sincerely,

Patricia Capitelli
