**Emergency School Closing Information** 

In the event of a severe storm resulting in hazardous road conditions and/or other crisis, parents can check the status of school closings/delays by:

- 1. Our automated phone system will call the phone numbers that you submit on your child's Contact Verification Form in September 2018 providing you with updated school closing information.
- 2. Calling the main school number 973-956-0010 and choosing the first prompt (school closings).
- 3. Logging on to the district website: www.totowa.k12.nj.us

The 2018-2019 Parent Student Handbook contains all of the important information relative to school closings. This document is also posted on our website.
