Patricia Capitelli
Superintendent of Schools

September 2019

Dear Parents/Guardians:

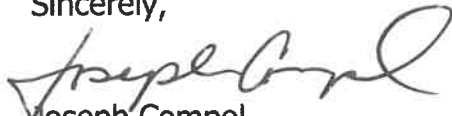

We are pleased to welcome your child to the 2019-2020 school year! The cafeteria staff will be preparing a variety of popular selections and offering a balanced meal each day. Memorial School students will be able to purchase lunch from Pomptonian Food Service starting Monday, September 9, 2019.

Each day, you and your child can decide if you want to purchase a meal. The same wide variety of selections will be available every day. You can pre-pay by sending any amount of money you would like to add to your child's account, which can be done at anytime. The money can be used for meals (\$3.25 for lunch) and healthy snacks and beverages (up to \$2.00 max per day). You can pay by check, payable to Totowa Board of Education Cafeteria Account. (Simply indicate your **child's name and room number** on your envelope/check memo line). You can also use the Pay For It online system for payment.

The Totowa School District understands that from time to time students or parents may forget to send in their lunch money or may use up all of their prepaid monies. On the first day this happens, the students will be allowed to choose and charge a meal. After there are two outstanding charges on the account, meals will be served at the discretion of the school administration.

If you have any further questions, please do not hesitate to contact me.

Sincerely,

Joseph Compel
Principal, Memorial School
