Dear Parent/ Guardian:

When a child is required to quarantine, we have decided to no longer switch student's academic teachers. Your child will remain with their assigned teacher while quarantining at home. Please note all students must attend all specials classes through Teams as well. Parents and students will be able to contact their teachers via email for general questions, concerns or clarification. Please email your child's teacher to set up a Teams meeting if necessary.

Please do not hesitate to contact me should you have any further questions about the new procedures. Thank you for your cooperation with this matter.

Sincerely,

Joseph Compel  
Principal
