Dear Parents/Guardians of Grades Five through Eight:

The students and faculty at Washington Park School will celebrate Halloween on Wednesday, October 31, 2018, during the school day.

Students who choose to participate must come to school dressed in a costume. Sprays and makeup should be done at home. You may bring a change of clothes if a costume is too cumbersome to wear all day. Clothing should not be suggestive or revealing. Toy knives, swords or weapons will not be permitted. Costumes that would negatively stereotype or offend a specific ethnic or other group will not be permitted. **Additionally, we encourage all students and parents to be mindful of costumes that emulate anything in pop-culture or the media, that may disrupt or impact the educational process.**

It is very important that you exercise sound parental judgment and help us by assuring that costumes are appropriate and suitable for school.

There will be no parental viewing grades five through eight.

Thank you for your continued support and cooperation.

Sincerely,
