Patricia Capitelli

Superintendent

October 5, 2018

Dear Parents/Guardians:

I am pleased to announce that a foreign language component will once again be added to our academic curriculum. Students in grades 3-8 will receive Italian language instruction for two marking periods as part of their "Specials" schedule, replacing the World Cultures component.

In that endeavor, we welcome Ms. Brunella Brunetti, who comes to the Totowa school district with over ten years' experience in teaching the Italian language. The district is as excited as Ms. Brunetti is to introduce and instruct your children in the Italian language.

Thank you for all your support.

Sincerely,

A handwritten signature in blue ink that reads "Patricia Capitelli". The signature is written in a cursive style.

Patricia Capitelli
Superintendent
