Part of the search process includes soliciting input from family and community members.

Know that we, PV and the Board of Education, have no access to the answers. It is being collated and disaggregated by Ms. Helewa. Responses will be anonymous and presented to the board by Ms. Helewa.

Please use the link *or* the QR code below to access and complete the survey by March 1, 2021.

The Passaic Valley Board of Education appreciates your cooperation.
