September 2026

Dear Parent/Guardian,

We are proud to continue for the 2026-2027 school year the Memorial School Book Exchange for Grades K-3. Students will have an opportunity to select a variety of books from our media center. In conjunction, the school is continuing reading initiatives where students will be assessed and assigned a specific reading level to meet their reading needs. The media center will have designated books for each reading level.

Similar to a public library, students will be signing out books with their classroom teacher during select times biweekly. Your child's teacher will be going over the rules and conduct of the media center along with how to care for a book. Students are responsible for the care of the book. If the book is damaged or lost, you will be responsible for the cost of replacing the book from the school's media center.

We are very excited about giving our students an opportunity to borrow books of their choice and reading level.

Thank you,

Sincerely,

Timothy Tracy, Administrator in Charge
