Timothy Tracy
Administrator in Charge

Patricia Capitelli
Superintendent of Schools

September 2026

Dear Parents/Guardians:

Memorial School is continuing its one-to-one initiative for the 2026-2027 school year for students in grades kindergarten through third. All students will be provided with a laptop to use in their homerooms for educational purposes. Having ongoing access to technology will help your child develop greater academic independence, increased engagement, responsibility and accountability, all of which are skills required to meet the challenges of the 21st Century.

Your child will be assigned a laptop, with a specific identification number, which he/she will be able to use in school. All laptops will be stationed in their homerooms. Since these laptops are property of the Totowa Board of Education, they are subject to inspection and damage assessment. **This applies to technology used in school and/or taken home therefore, we highly recommend purchasing insurance for your child's laptop.**

Please stress to your child that the laptop is his/her responsibility and for educational use only. The laptops will be returned in June, and if necessary, **the replacement cost for any damages or lost pieces of equipment will be charged unless the insurance is purchased by the given date**. Once again, the district highly recommends purchasing insurance for the laptop. **Report cards will not be issued and the parent portal will be locked until all items have been returned, repaired and/or paid for.** Details of the laptop insurance option are attached.

As with other personally owned items, the Totowa School District is not liable for loss, damage, theft or misuse.

Sincerely,

Timothy Tracy
Administrator in Charge
