"Get Hooked! Learn to Crochet"

Grade levels: 4-8

Ready to get hooked on a new hobby? In this beginner-friendly class, students will learn the basics of crochet as they work toward creating their own cozy, chunky scarf. No experience is needed! Crocheting takes patience, practice, and fine motor coordination, so this class is a great fit for students who enjoy hands-on activities and are willing to keep trying as they learn a new skill. Students will work at their own pace and may need to finish their scarves at home.

****Please bring a reusable bag with you to class and light snack.***

Choose Your Scarf Color!
We'll be using Yarn Bee True Colors yarn. You can look up the yarn to see what the colors look like, then choose a first and second choice from the list below before our first class. We'll do our best to get your first choice, but colors are subject to availability.

Tip: Lighter colors are often easier for beginners to work with because the stitches are easier to see.
