

*"Parents and families are the first and most important teachers. If families teach a love of learning, it can make all the difference in the world to our children." -Richard W. Riley*

Dear First Grade Families,

Summer shouldn't mean taking a break from learning. Studies show that most students experience a slight loss of skills over the summer months, but children who continue to read and practice skills will actually gain skills. During the summer, parents can help children sustain (and even bolster) academic skills, strengthen their vocabulary and reinforce the benefits of reading and learning for enjoyment.

Attached you will find the Reading and ELA summer work. For Reading, students will fill in a Bingo board using trade books from home or the library. The reading bingo directions are attached as well. Also, there is a Reading Log that students will fill in with book titles that they have read throughout the summer. For ELA, students will complete 8 writing prompts that are linked below. Students are expected to write a minimum of 4 sentences (a paragraph) in response to each prompt. Be sure to remind students of proper punctuation and sentence structure.

Thank you for your continued support this school year. Have a happy and healthy summer!

Warmest Regards,

First Grade Teachers

# Summer Reading Bingo

## Directions

Summer Reading Bingo is to be played all summer long to encourage reading in a fun and engaging way!

Dear First Grade Families,

Attached you will find the Math summer work. For Math, the students will complete LinkIt assignments on different concepts they learned in first grade. To get to LinkIt, please go to [test.linkit.com](http://test.linkit.com).

The students should complete four (4) assignments in total. There are three (3) required assignments that are labeled with a star. Out of the remaining assignments, the students should choose one (1) to complete. Students have the option to complete all the remaining assignments.

Each assignment has a specific code. Please find your teacher's name on the next page and use the codes that are listed by each assignment. Thank you for your continued support and have a happy and healthy summer!

Warm Regards,  
First Grade Teachers
