June 21, 2022

Dear Parents,

It was a pleasure to have your child in second grade this year! Your child has worked very hard this school year. Although it is now summer and time to relax and have fun, it is also important to continue practicing some general reading and math skills to maintain the skills we have worked so hard on throughout the year. Students will access their required assignments for both Math and Reading on Linkit using the codes listed below. The assignments will be available until August 31, 2022. The assignment will close out and will no longer be accessible following this date.

How to access the assignments:

Step 1- go to the website www.test.linkit.com

Step 2- enter class code

Step 3- begin test

*You may save your work and go back to the test later.

Below are the class codes for each assignment. If you have any questions or concerns, please reach out to Mr. Deodino at 973-956-0010 Ext. 2101 or aldo.deodino@totowa.k12.nj.us

Let's keep our skills sharp. Have a great summer!

Sincerely,

Second Grade Teachers
