Dear sixth grade Parents and Guardians:

The New Jersey Department of Health and Senior Services (DHSS) has revised the administrative rules, N.J.A.C. 8:57-4, with substantial changes to include the requirement of two new vaccines for school attendance.

Attached you will find the required vaccines. For additional information please visit the New Jersey Department of Health website at [www.nj.gov/health/cd/documents/k12-parents.pdf](http://www.nj.gov/health/cd/documents/k12-parents.pdf)

You must provide documentation of these two immunizations (see below) **by August 21, 2021** in order for your child to be enrolled in the sixth grade for the 2020-2021 school year.

Please have your Primary Care Provider (PCP) complete the detachable form below and submit it to the school nurse.

Thank you for prompt attention to this important matter. If you have any questions or concerns, please contact Mrs. Luciano at 973-956-0010 ext. 2200 or by email at [beverly.luciano@totowa.k12.nj.us](mailto:beverly.luciano@totowa.k12.nj.us)

Sincerely,

David Bower
