

PASSAIC VALLEY REGIONAL HIGH SCHOOL

100 EAST MAIN STREET, LITTLE FALLS, NEW JERSEY 07424

Mr. Bracken Healy
Superintendent

Ms. Krista Voorhis
Vice Principal

October 18, 2021

Dear Parents/Caregivers and Students of the Class of 2026,

Passaic Valley Regional High School is proud to announce our annual Open House on Thursday, November 11 from 7:00-9:00pm. This in-person event is open to all 8th grade students and their families from Little Falls, Woodland Park and Totowa. COVID-19 health and safety protocols, including mask wearing, will be in place. We kindly request that participation is limited to one parent/caregiver and student per family to ensure appropriate distancing.

The evening's events include a welcome from Superintendent Mr. Bracken Healy and the Administrative Team at 7:00pm in the auditorium. After these remarks, families will follow a schedule which allows participants the opportunity to travel through the building, spend time in classrooms, meet our staff, and engage in mini-lessons and other engaging activities. We are excited to welcome our community into the building to see all of the great things we have to offer!

Activities will be offered in each of our 12 content areas. Our athletic teams will be located in the Gris Gym, and our Student Activities staff (clubs and extracurriculars) will also be on hand, and located in the Farrell Gym; our Student Services Team, including our Support Staff and Teen Center Staff will be located in Campbell Hall. Students and their families should stop by to explore some of the exciting opportunities available to students here at Passaic Valley.

The full schedule of the evening's events, including classroom locations, will be distributed upon arrival that evening. We are looking forward to meeting our newest Passaic Valley Hornets Class of 2026 on November 11 at 7:00pm in the auditorium. It's a great day to be a Hornet! #SwarmUp #GreenAndWhite

Educationally yours,

A handwritten signature in blue ink that reads "Br Healy". The signature is written in a cursive, flowing style.

Bracken Healy
Superintendent
