

**Support the students of
Washington Park School as they raise funds
for Smile Train!**

Smile Train is an international children's charity with a sustainable approach to a single, solvable problem: cleft lip and palate.

Millions of children in developing countries with unrepaired clefts **live in shame**, but more importantly, have **difficulty eating, breathing and speaking**. Cleft repair surgery is simple, and the transformation is immediate.

Smile Train's sustainable model provides training and funding to empower local doctors to provide 100%-free cleft repair surgery in their communities.

85+ countries where
Smile Train has helped children

Every 5 minutes a Smile Train
surgery helps a child in need

1 goal to give every child born with a
cleft a brighter future
